**PROBABLE CAUSE STATEMENT**  
Sedalia Police Department Case Numbers 2023-22190

SUSAN SADLER  
CIRCUIT COURT CLERK

On August 29th, 2023 I responded to [REDACTED] in reference to a suspicious male subject.

I made contact with the manager, [REDACTED] that stated the male was urinating in the lobby and they wanted him trespass. I located the male and identified him as Anthony Miller and issued him a trespass warning for the business.

Anthony left the scene and was stopping traffic in the middle of [REDACTED] I got back out with him at [REDACTED] and asked him to stay out of the roadway. I received a delayed response from dispatch and he was found to have an active Parole Violation warrant from the state of Illinois.

Dispatch confirmed the warrant and I transported him to the Pottis County Jail. He was placed on a 24 hour hold for Fugitive from Justice.

I collected his belongings and placed them into evidence as safekeeping.

My body camera has been downloaded.

I am requesting charges on Anthony for Fugitive from Justice. His criminal history report shows no prior convictions for Fugitive from Justice. He should be considered a flight risk as he is from out of State.
